to you, the faculty, our gratitude.

there is an oft-quoted saying of abraham lincoln which I first read when I was a senior graduating from high school, and while I must confess that there have been times since when I have honored it more in the breach than the observance, nevertheless it has remained as one of the sparkplugs of whatever effort I have put forth.

lincoln said, you remember, "I will work hard and prepare myself, and some day my chance will come."

no sensible senior, as he looks out into the world today, can fail to see the many opportunities that are there for him to grasp, whether it be on the athletic field, in the class room, working at a job, or in the defense of his country—certainly nowhere else in the world are such opportunities available. but those chances might just as well not exist if you are not ready to seize upon them. may you have as many of them as you deserve.

John Asatryan

you, the graduates of 1953, are to be congratulated for your fine accomplishments. a very large percentage of you have participated in the government of the school and have thus equipped yourselves for a place in this democracy. others have pursued individual interests which have been just as worthy. you are ready to take your place in a challenging society. good luck and may happiness be yours.

sincerely,

the gray castle, as the permanent record of student body activities, serves to emphasize that our school is more than a group of buildings, or a collection of books, or equipment. the events described in these pages were inspired and carried out voluntarily as a result of the personal interest of many graduating seniors. because of this unselfish effort the school itself has acquired life and has developed a personality that reflects the attitudes of the students themselves. congratulations on your progress and achievements.

sincerely,
robert s. hamilton
vice-principal

in achieving your graduation in june, 1953, you have attained a goal toward which you have been looking with great anticipation. while here, you have been given opportunity to develop your own particular interests and talents through educational experiences adapted to your individual needs. for each of you our graduation wish would be the attainment of future worthy goals built upon a firm foundation of capable, responsible, and effective citizenship.

sincerely,
ruth munsell
vice-principal

first of all, I would like to take this opportunity to extend my congratulations and best wishes to each graduating senior.

secondly, I would like to express my personal appreciation to the many members of this class who have given so generously of their time and energy in order that the fine traditions and activities which abound at san diego high school could continue.

sincerely,
r. w. smith

P.S. sorry
about this

proving that extracurricular activities always play an important part at the hilltop, we cavemen and cavebells turned out in force to join clubs of our choice. no matter what our special talents, interests, or hobbies, we found a club to match. the activities which dealt with school subjects were of a more serious nature than those which we joined to show off athletic ability or those which were just for fun.

clubs provided the necessary break in our academic day, and many of us realized for the first time in our ten, eleven, or twelve years of school that it didn't have to be all work. through these organizations we met people whose interests corresponded to our own and, together, we shared ideas, expressions, and personal viewpoints; we learned to get along with others and to build a greater sense of responsibility, all of which will prove to be valuable in the many years to come.

 knowing you. We've sure
 had fun especially last
 year with Mr. Phee. Remember
 have fun next year. Hope
 to see you. Best of luck
 to you always.
 Love,
 Sally Shephard

seniors, 1953 concludes your attendance at san
 diego high school—three years of work, fun, and
 accomplishments. as sophomores, you created the
 soph annual and were the first to have soph song
 and yell leaders. as juniors, your dances were
 great and your spirit high. as seniors, you have
 made san diego high even more democratic and
 student governed by the revision of the gray castle
 constitution and the establishment of the senate.
 you, who are now the confident and capable lead-
 ers of this school, have learned much, and by
 your learning have achieved a great deal, and by
 your achievements are able to look to success
 in the future.

honor roll

the scholarship honor roll of the class of june 19, 1953, has been compiled in the office of the high school. this record is based on the work of the five senior high school semesters. all students whose semester grades of "a" (superior) number eleven or more are placed on the honor roll. a perfect record for the five semesters would be twenty "a's", as the average student carries academic subjects and thus accumulate more than twenty "a's" during their high school course.
 note: students who enter with grades of "a" from other schools will have their "a's" accepted for the honor roll providing they make as good grades while in attendance at san diego high school.

Dear Mimi -
 I didn't get to
 know you too
 well this year but
 I would like to
 thank you for the
 ride to school n'
 everything - hate
 o' luck.

Anne Monk

Dear Mami,

Well here goes! Golly, I have so much to say, I just don't know where to begin. I really have known you since the seventh grade (I remember when I went to your birthday party) but I really haven't gotten to know you until this year when we started going to football games together. I remember the first game we went to. It was at Calumet High. Golly, what was so much fun. We didn't get home until 3 a.m. and then we went to Cynthia's slumber party. What fun!

Then there's initiation. Will you ever forget the time you had to wear three pig tails to school and had to do the "bunny hop" up and down the front walk. That sure was funny.

We have always been angels in class, haven't we? kidding! kidding! Cheating! Oh yes, perfect angels! But I guess everyone does those things. That is, everybody except Lynn and Elvyn Eve. Who wants to be like them though. Ugh! Our poor teachers. They really take a beating. Especially Mr. Patten and Mr. Dan.

And Junior Cabinet. That has really been fun. I'm glad that we got to be commissioners. It was fun when we got to know who was going to be King and Queen and nobody else knew. And that dance was sure fun, but it could have been better for me, if you know what I mean.

Well that's a brief summary of the school year 52-53 but we have had a lot more fun that I haven't mentioned.

We have been the best of friends and had loads of fun this year, but I hope our senior year is even better. Loads of luck to a cute gal with a sweet personality who really and truly deserves the very best.

Lots of love always

P.S. Remember when we had to say good-bye to the seniors.

Dear Mimi,

It has been a whole lot of fun training you in Quina Quetta. I will always remember you and the snail on "Holl" night. I hope you have a lot of fun this summer.

Yours Always

Hey! The senior

on us, isn't it? I

leadership, responsibility, and enthusiasm are three of the most needed qualities to make any organization a success. participants in hilltop activities proved this well taken point as they worked hand in hand to put over everything that they attempted to do this year.

for the first time in many years the senior class made a profit on its annual winter dance and drew big crowds for cave-ins and noontime get-togethers. the pepsters really got underway and organized the rooting sections at football games. the russ staff, in addition to putting out its traditionally great paper, continued to publish high-life. the fall asb council finished the revision of the san diego high constitution in time to have the voting population of the school pass it into effect. also the christmas project usually sponsored by the girls was supported by the boys as well.

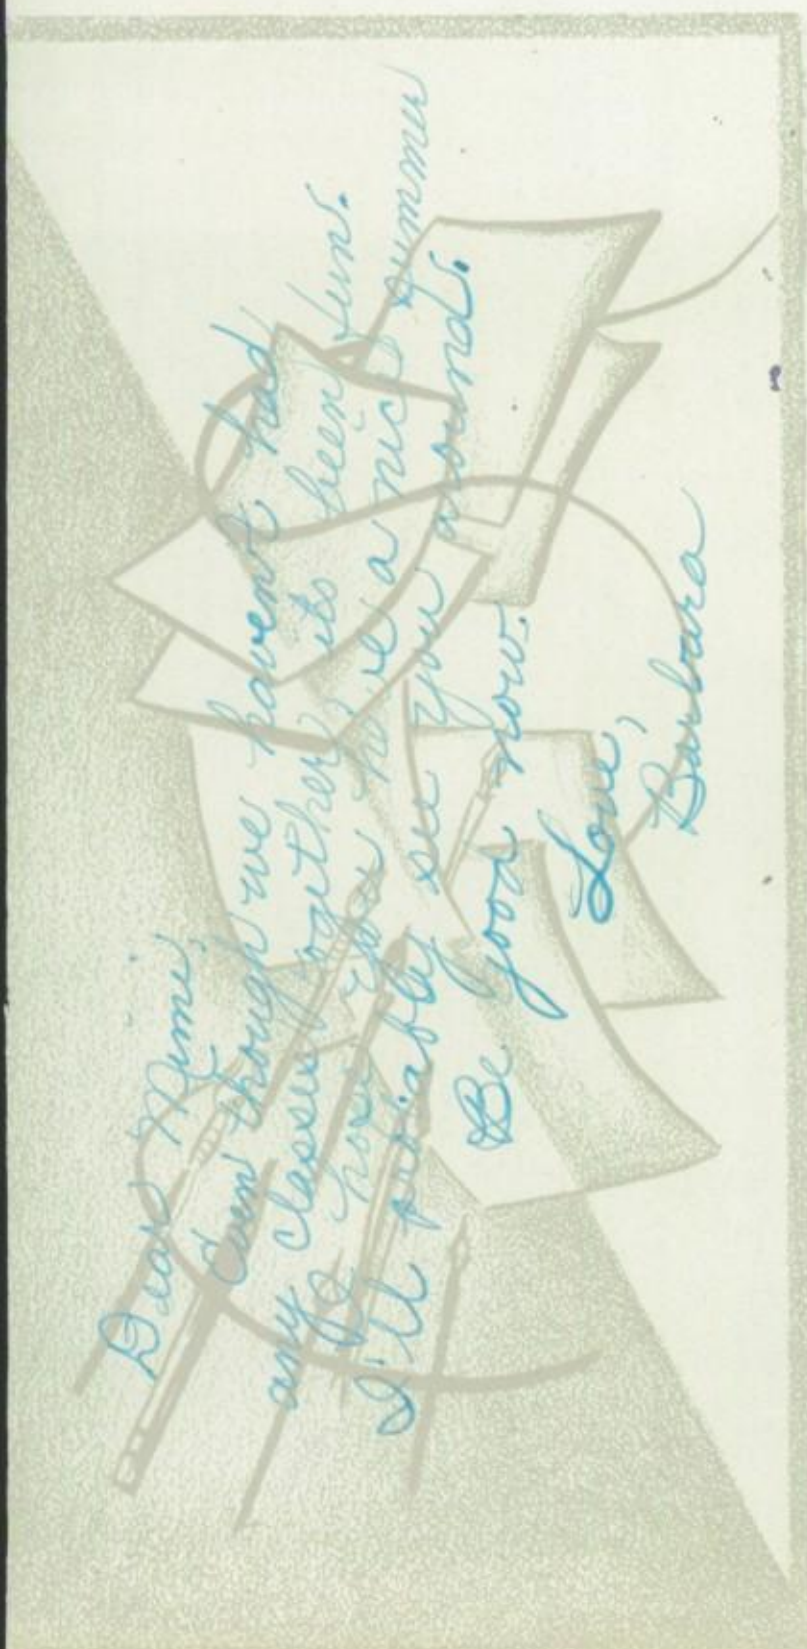

no matter how much or how little cavers took part in these and other extracurricular activities, every student helped to support student government. each received great satisfaction in knowing that it was a job well done.

sports

it was on to victory as we, the student body, raised our voices in the familiar cheer, "go team, go —!" san diego high was out to conquer again. in football, basketball, wrestling, track and baseball, not excluding swimming, golf, and tennis, there were honors to be won and sportsmanship to be shown. our alma mater rang out whether in victory or in defeat proving our loyalty to the cavemen. the gray castle spirit could not be topped as san diego high drove on to championships.

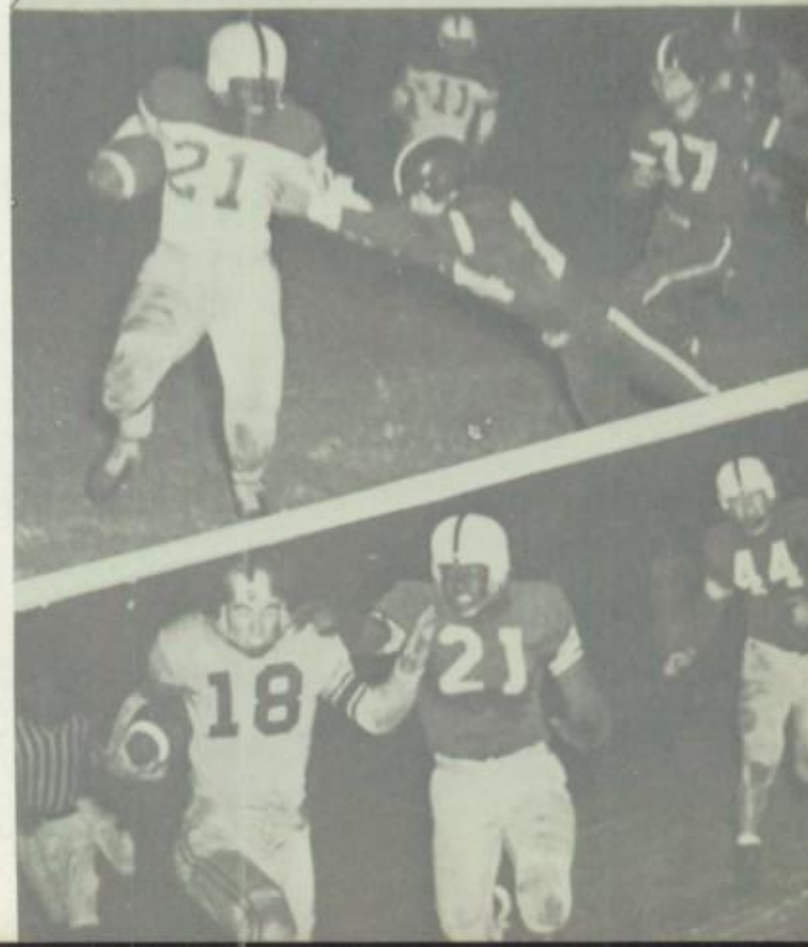

varsity football: (l to r) first row: j. blake, f. robinson, c. osborne, a. brown, a. gentry, k. hayashie, r. tonos, d. lopez, b. castro, j. minafee. second row: a. finley, h. tucker, e. johnson, s. troyer, g. adams, t. asaro, r. addy, b. yamato, j. mc neil, r. acosta, d. evans, j. huntsman, j. patterson, h. halac, mgr. third row: coach maley, f. lloyd, a. latham, d. street, d. burnside, b. cook, b. hoese, e. araki, b. diamond, d. dobara, d. wood, j. taylor, f. craft, r. salvivar, coach burrows. fourth row: j. stratton, e. boyle, j. duschell, b. patton, j. kosmos, m. reynante, f. morgan, j. mac donald, f. bliss, t. cofield, c. espy.

san diego high does it again! sharing honors with la jolla, the hilltop won the city co-championship. under the guidance of coach duane maley and his fellow mentor, coach bill burrows, the cave-men were the highest scorers in the c p l and had the least number of points tallied against them. sparked by the lightning speed of ardel finley, the long arm of tom cofield, and the leadership of eddie boyle, san diego won decisive battles with la jolla 23-6, helix 33-7, and hoover 26-6. however, the perfect record of the gray castle was upset by point loma 14-12. at season's end, the hillers placed five men on the all city league football team.

basketball

hiller hoopsters, tying for the city prep league championship with point loma high, wound up this year's c p l series with a 9-3 won-lost record. wins came easily in the city league as helix, Kearney, and grossmont each fell at the feet of the cavemen. la jolla high split with the hiller crew, each gaining one win from the other. the first string positions were held down by willie pitts, tom cofield, jack lepore, ellsworth powell, and george taylor. john craft did much valuable work in the reserve spot. in the s c i f tournament the team lost out to anaheim in the first round of play. however, in the kiwanis tournament the hillers reached the semi-finals.

san diego high track team is once again rated pre-season favorite. coached by bill patten and bill burrows, the team is led by captain haldon grey and co-captain ed cazenave. some of the top men are sprinters ardell finley, alonzo cooper, atron gentry, half-miler al conary, one-miler don kynard, and hurdler don mumper. the hilltop track team at our deadline appeared a cinch to win the city league championship although it had only taken part in one league meet.

the ambitious and powerful hiller nine is out again to win both the city prep league championship and the s c i f championship! at press time the team has only played non-league elimination games. it looks better than ever in the infield and outfield which will be staffed by eddie boyle, scott armitage, richie johnson, horace tucker, al weymiller, and floyd robinson. doing the pitching chores will be rudy venzor, lee babbitt, and rick flores. the catching will be done by joe dini and bob whitworth. with coach les cassie guiding the stellar hiller nine it's sure to be on top.

Dear Mimi,
You're one of the
nicest gals

I've ever met. I've gotten
sore at you at times but I
always forgive you. It's
usually my fault when we're
mad. Just think, we have
only one more year of school and
then we're free. Then we can
sleep and never have a worry
in this world.

Have fun this summer. Don't
